EDUCATION

Bachelor of Commerce (MIS)

Major: Management Information Systems

Alexandria University

GPA: 3.07 / 4.00 (VeryGood)

2020–2024

OBJECTIVE

Motivated Management Information Systems graduate with a strong interest in front-end development and practical training in web technologies. Seeking opportunities in Germany to develop technical skills, gain professional experience, and contribute to creative, user-focused web projects.

EXPERIENCE

Front-End Developer |Space Tech, Alexandria

Sep 2026 – Nov 2026

- Worked as part of a collaborative front-end development team on assigned web projects.
- Implemented responsive, user-friendly interfaces and supported web development tasks.
- Collaborated with team members to solve development challenges and complete tasks.
- Developed teamwork, communication, creativity, and problem-solving skills through practical training.

Front-End Entry-level | I-Soft, Nasr City

Mar 2026 – Sep 2026

- Contributed to government-scale web projects in Dubai, including the Dubai Naturalization and Residency Department (DNRD) project.
- Developed web application features using React.js, Redux Toolkit Query, Formik, Yup, MUI, and Bootstrap.
- Implemented dynamic forms, validation schemas, reusable UI components, API integration, and state management.
- Collaborated with the development team and explored Socket.IO, Framer Motion, Joy UI, and advanced React techniques.

SCHOLARSHIP & Training

• **Web Designer Course — Fully Funded Training**

National Telecommunication Institute (NTI), Egypt | 2024
